Pharmacy Services

Our pharmacists work closely with your medical provider to ensure you receive the safest, most effective, and most affordable medications. We provide multiple programs to provide a stress-free experience:

- **SimpleScripts** — Simplify your pharmacy experience with monthly fills on eligible medications. May qualify for free shipping or delivery.
- **Financial assistance** (for those who qualify)
- **Drug take-back kiosks**
- **Mobile app** — Refill your prescriptions and chat live with our staff!
- **Shingles and flu vaccine**
- **Quick refills**, working directly with your provider

Affordable Prescriptions

We accept Medicaid (Oregon Health Plan), Medicare Part D and most major insurances as well as offer a generous sliding-fee discount for those whose incomes qualify.

Our grant-funded Medication Assistance Program also may assist with eligible costs.
