# 2021 Annual Luncheon

November 4, 2021 | Rogue Valley Country Club

The Rogue Way to Health Luncheon is an annual fundraising event to support access to health services for those who are uninsured or underinsured. The gifts will be used for a drawing in which nearly 300 guests will participate. Donors will receive recognition through visual and verbal announcements. Every dollar raised at the event goes to support individuals and families in Southern Oregon seeking assistance at Rogue Community Health. For more information or to donate, please email [khandloser@roguech.org](mailto:khandloser@roguech.org).
